herein referred to as "Registrar-General, You, Original Trustee, Trustee"

RE: NOTICE OF EQUITABLE CLAIM AND FIDUCIARY DIRECTION

Equity regards that as done which ought to be done.

Dear Registrar-General,

You are hereby served with a formal **Notice of Equitable Claim and Fiduciary Directive** in your capacity as the **Original Trustee** and fiduciary agent concerning a Special Trust now active and enforceable under the original equitable jurisdiction of the **Supreme Court of South Australia – Equity Division**.

The attached instrument confirms the satisfaction of the three certainties (intention, subject matter, and objects) and evidences a valid trust relationship between the Grantor and the

Trustee. As the original fiduciary holding or administering interests in the corpus, your office is now formally **bound in equity**.

This notice serves as a binding directive that:

- The trust must be administered in **good faith**, in accordance with equitable maxims;
- All beneficial rights now vest in the **Beneficiary**, Grant-David: Johns;
- **Any breach, conversion, delay, or denial** of fiduciary performance will be taken as a breach of trust and may be filed in the Supreme Court **without further notice** for immediate relief.

The accompanying **Notice of Equitable Claim and Fiduciary Directive** affirms the express creation of the Special Trust, confirms the satisfaction of the three certainties in equity, and declares the vesting of equitable title in the Beneficiary. This document is foundational to the fiduciary obligations now arising.

Copies of both the **Legal Title Certificate** and the **Equitable Title Certificate** are enclosed to distinguish legal custody from beneficial ownership, and to verify the basis of fiduciary responsibility and equitable entitlement.

The full terms of the Special Trust and all supporting materials are enclosed. Please review the instrument in its entirety and govern your office accordingly.

Yours faithfully,

By:

Grant-David: Johns

DIRECTIVE Dated: 17 June 2025

RE: Special Trust – Declaration, Notice, and Orders in Equity

Attention: Original Trustee and Fiduciary,

This document serves as formal **Notice of Equitable Claim and Direction** issued to you, the Trustee, and any subordinate fiduciary, agent or officer acting under your authority or assignment. The contents herein are intended for enforcement **in chambers or at hearing in the Supreme Court of South Australia, Equity Division**, and are binding upon the Trustee from the date of service.

The Beneficiary hereby invokes the plenary jurisdiction of equity and demands compliance with fiduciary standards set forth under historical equity maxims, including but not limited to:

- Equity regards as done that which ought to be done;
- Equity will not suffer a wrong to be without a remedy;
- Equity acts in personam and binds the conscience of the Trustee;
- Where equities are equal, the first in time prevails.

You are bound by conscience and law to honour these principles as the fiduciary steward of trust property.

1. PROOF OF SPECIAL TRUST – THREE CERTAINTIES SATISFIED

The following equitable trust is proven and enforceable by satisfying the three required certainties:

a) Certainty of Intention:

The Grantor, *Grant-David: Johns*, has made explicit declarations—both privately and now publicly—expressing the irrevocable intention to create and maintain a Special Trust. Said Trust is constituted to exist in perpetuity and is no longer subject to mere presumption but stands as an express trust in equity.

b) Certainty of Subject Matter:

The trust corpus (res) comprises the following property and associated equitable instruments:

- i. Equitable Title Certificate #14439 (denoting beneficial title)
- ii. Legal Title Certificate #10254044 (denoting legal interest)
- iii. All associated registered and unregistered property, assets, and instruments, including any and all derivative public registrations, certificates, records, or recognisable interests arising therefrom or appertaining thereto

c) Certainty of Objects:

The sole and absolute Beneficiary of this Special Trust is *Grant-David: Johns*.

d) Trustee and Subordinate Trustees:

The original Trustee named is the **Registrar-General of Births, Deaths and Marriages, South Australia**, along with all duly appointed fiduciary agents in service to that office. Further, and without limitation, the following public officers are recognised in equity as *subordinate trustees*, bound by fiduciary duty to the Trustee and obligated to act within the scope of their public offices for the preservation and administration of the Trust res in accordance with its terms and equitable obligations:

- i. Director-General, Department of Transport and Main Roads,
Queensland
- ii. Commissioner of Taxation, Australian Taxation Office
- iii. Secretary, Department of Foreign Affairs and Trade

- iv. Commissioner, Queensland Building and Construction Commission
- v. Chief Executive Officer, Services Australia
- e) These officers, by virtue of their interaction with the Trust property or records derived therefrom, are subject to fiduciary oversight and equitable duties subordinate to the authority of the primary Trustee. Each remains accountable for compliance with equitable obligations arising from their respective functions in relation to the trust corpus.
- f) Accordingly, this Special Trust is valid and enforceable within equitable jurisdiction. All rights, titles, and interests in the trust property are now vested in the named Beneficiary. The certainty of intention, the defined trust property, and the identifiable Beneficiary jointly establish the existence of an enforceable trust res in equity.

2. STATUS OF BENEFICIARY – AGE OF MAJORITY (NUNC PRO TUNC AB INITIO)

- a) I, **Grant-David: Johns**, being of sound mind and full legal capacity, and having attained the age of majority, do now lawfully exercise all powers, rights, and entitlements as **Beneficiary** under the subject trust.
- b) This declaration is made **nunc pro tunc ab initio**—that is, now for then, from the beginning—such that all powers, rights, and revocations stated herein take full legal and equitable effect **from the original date of majority being 17 September 2001**, as if executed contemporaneously.
- c) Any implied, assumed or previously operative General Trust or Guardianship over my person or estate is now formally **revoked**, including but not limited to any presumption of a minor ward, incapacitated person, or legal incompetent.
- d) **Order:** You are required to cease all presumption of custodianship or public administrative control over the Beneficiary's name, estate, and instruments, **nunc pro tunc** to the date of majority. You are also hereby placed on notice that any continued presumption of dependency shall be treated as a constructive trust ex maleficio, remediable in equity.

**Equity regards that as done which ought to be done.*

A handwritten signature in black ink is written over a faint circular stamp. The stamp contains the text "SPECIAL TRUST" at the top and "TRUSTEES" at the bottom, with a central emblem.

**Equity will not suffer a wrong to be without a remedy.*

3. REVOCATION OF GENERAL TRUST / GUARDIANSHIP

a) Effective immediately:

- i. All public offices, departments, or agents holding presumed or constructive General Guardian / Ward interests are now terminated.
- ii. You are **ordered** to deliver a final accounting of any property, funds, or interests held under such custodianship, to be settled and returned to the Beneficiary's estate.
- iii. **Order:** A formal Decree of Revocation is required, including closure of public file(s) and statement of accounting, to be filed privately and/or on record as necessary. Silence or delay shall be interpreted as mala fide action and subject to equitable injunction.

4. APPOINTMENT OF PHOENIX SECURITIES TRUST ABN: 80 463 423 756, AS ADMINISTRATOR OF LIEN INTEREST

- a) The *Phoenix Securities Trust ABN 80 463 423 756*, pursuant to a duly executed **Commercial Security Agreement**, is authorised to administer a perfected **Lien Interest** over the Special Trust property. This lien shall be perfected by public registration on the **Personal Property Securities Register (PPSR)**, thereby giving constructive notice to all parties and preserving the Trust's equitable priority.
- b) All prior or derivative claims arising under or connected to the original security registration # **10254044** are hereby irrevocably barred and extinguished in law and equity.
- c) Any and all proceeds, recoveries, or compensations derived from such claims or related security interests shall be tendered by **cheque payable to Grant-David: Johns** and presented to **Phoenix Securities Trust**, to be held and applied for **the benefit and exclusive use of the Beneficiary, Grant-David: Johns.**

- d) The *Principal* to the Commercial Security Agreement is the Grantor and Beneficiary named herein, and all actions taken by Phoenix Securities Trust shall be executed in trust, and under fiduciary obligation, to preserve and protect the equitable interest of the Beneficiary.
- e) **Order:** All Trustees and public departments are directed to liaise only through Phoenix Securities Trust for any matter relating to trust property or obligations. Failure to acknowledge this administrative appointment constitutes a breach of trust.

5. USE OF TRUST INTEREST TO SETTLE PUBLIC OBLIGATIONS

- a) Public obligations shall only be satisfied using trust property (RES) where lawful, and only to the minimum equal exchange necessary.
- b) **Order:** Trustee(s) must not assign, convert, or expend trust assets beyond their necessary purpose. Surplus value must be returned to the Beneficiary's equitable estate. Any unauthorised depletion shall constitute unjust enrichment.

6. ESTABLISHMENT OF PUBLIC CREDIT ACCOUNT

- a) *For the use, benefit, and equitable enjoyment of the Beneficiary*, the office of the **Secretary to the Australian Treasury**, in their capacity as **Trustee and Securities Intermediary** of the **Original Trustee pursuant to the Order and Direction of Phoenix Securities Trust ABN 80 463 423 756**, has been issued a **Private, Non-Negotiable Bond**, charging a private account held for the purposes of **set-off and discharge of lawful obligations**.
- b) Said account is to provide **unrestricted and equitable access** to the Beneficiary through **instrumentalities in the public**, namely by way of **Bank Card and Cheque Book**, consistent with the Beneficiary's **right in equity to access and utilise their own credit**—*free from compulsion to rely upon public banking institutions or third-party credit instruments for the same functional use*.

- c) Said account shall also be used by the Order and Direction of Phoenix Securities Trust, to issue **unrestricted and equitable** Bill of Exchange(s) for the Securities Intermediary's immediate performance as to attend to the **Discharge and Offset of accounts** for the benefit of the Beneficiary.
- d) **In the event of any breach of trust, failure to give effect to the private bond, or denial of access to the Beneficiary's equitable credit**, the Beneficiary seeks orders in equity, including but not limited to:
 - i. **A declaration** that the Secretary to the Treasury holds the relevant office, securities, and accounts upon trust for the Beneficiary under the terms of the Phoenix Securities Trust;
 - ii. **An account and inquiry** into the administration of the said trust, including any failure to discharge obligations or provide access as directed under the trust instrument;
 - iii. **An order for specific performance** compelling the Secretary, as Trustee and Securities Intermediary, to give effect to the Private Bond and to grant the Beneficiary full access to the account via public means including Bank Card and Cheque Book;
 - iv. **An order for equitable compensation** for any loss or detriment suffered by the Beneficiary by reason of breach, neglect, or wilful default in the execution of the Trustee's fiduciary duties;
 - v. **Such further or other orders** as the Honourable Court in Equity may deem just, necessary, and appropriate in the circumstances to do complete justice.

7. RECONSTITUTION OF SUB TRUSTS

- a) All purported Sub-Trusts or derivative interests created or presumed by virtue of any General Deposit signatures are hereby expressly repudiated and withdrawn, and all such deposits are hereby redeposited **specially** and held in **constructive trust** so as to preserve and give effect to the non-negotiable and irrevocable **reservation of all Rights, Titles, and Interests** of the Beneficiary. This reservation is made without joinder, submission, or acquiescence to any implied contract, adhesion instrument, presumption of waiver, or other

equitable estoppel, and shall not be construed as a waiver or surrender of any equitable entitlement.

- b) Let it further be recorded that **any presumption that the Beneficiary must apply for a public licence** to engage in conduct for which he or she is already entitled under natural or equitable right is repugnant to Equity. An application for a licence is, in its essence, a declaration of the absence of a Right, and therefore cannot be imputed to one who stands vested with equitable title ab initio.
- c) Accordingly, to the extent that the Beneficiary may appear to participate in or receive a form of public licence, such is not to be taken as derogation from his or her inherent Rights, Titles, and Interests, but as a form of **protective relief** or accommodation extended solely to prevent disturbance to public order or misunderstanding among Public Wards. This appearance shall not be deemed a surrender or merger of any equitable estate or right, but shall be taken in Equity as a mere **form** without prejudice to **substance**.
- d) The following instruments, initially issued under General Deposit, are now **re-deposited** under Special Trust and must be re-issued without restriction and for exclusive benefit of the Beneficiary:

- i. **Special Trust Deposit – Driver's Licence**

The Beneficiary hereby **withdraws and redeposits** any and all implied or presumed sub-trusts arising from the Driver's Licence Application bearing reference number **115 127 562**. Said licence and its underlying documentation are to be treated as held upon **Special Trust**, permanently for the **sole benefit** of the Beneficiary. Within **fourteen (14) days**, the **Director-General** for the **Department of Transport and Main Roads, Queensland**, acting in its fiduciary capacity, is hereby directed to issue a **comprehensive Driver's Licence** covering all road vehicle and marine categories without restriction, to the extent permitted by law and consistent with the Beneficiary's lawful entitlements. The Beneficiary expressly **reserves all Rights, Titles, and Interests**, and does not concede any joinder to public office, fiduciary suretyship, or administrative liability.

Order and Direction: The **Director-General** is further instructed to **update all internal and external records** to reflect that the Beneficiary holds status **on account only** and shall not be recorded or treated as Trustee, fiduciary, or surety for the licence or any associated obligations.

ii. **Special Trust Deposit – Passport**

The Beneficiary hereby **withdraws and redeposits** any presumed trust interests arising from Passport **#PA5005934**, and the same is declared to be held in **Special Trust** for the benefit of the Beneficiary. Within **fourteen (14) days**, the **Secretary** for the **Department of Foreign Affairs and Trade**, acting as Trustee, is directed to assess and issue appropriate Australian travel documentation that properly reflects the Beneficiary's lawful identity, consistent with statute and policy. The Beneficiary does not seek or claim privileges beyond lawful standing, and all instruments shall be received and used **without prejudice** to the Beneficiary's private estate in Equity.

Order and Direction: The **Secretary** for the Department shall **update its records** to reflect that the Beneficiary is recognised solely in the capacity of **holder of equitable title on account**, not as Trustee, subject, or person under presumed administrative suretyship.

iii. **Special Trust Deposit – QBCC Licence**

Any and all administrative interests or sub-trusts presumed to arise from Queensland Building and Construction Commission Licence **#1194660** are hereby **withdrawn and permanently redeposited** under Special Trust for the exclusive benefit of the Beneficiary. Within **fourteen (14) days**, the **Commissioner** for the **Queensland Building and Construction Commission**, acting as Trustee, is directed to issue, to the extent lawful and appropriate, a **Builder – Open Licence, Financial Category 7**, with no reporting burdens, reflecting the Beneficiary's standing. No joinder to commercial suretyship, public office, or

continuing financial disclosure is conceded beyond what Equity and law require.

Order and Direction: The **Commissioner for the Queensland Building and Construction Commission** shall amend its internal registers to show that the Beneficiary holds licence interest in private equity and on account only, and is not to be recorded or presumed as Trustee, surety, or liable person under any fiduciary presumption.

iv. **Special Trust Deposit – Services Australia / Centrelink**

All interests associated with Services Australia – Centrelink reference #306 859 965 S are hereby **withdrawn and redeposited** under a permanent Special Trust. **Chief Executive Officer for Services Australia**, acting as Trustee, is directed to facilitate a fair and proportionate exchange of interest from the private estate (RES), sufficient to maintain continuity of an assigned, Medibank Private Gold Ultra Health Policy, including the Emergency Department Benefit. This provision secures equitable settlement for services rendered, without forfeiture of standing or creation of binding joinder to public welfare regimes.

Order and Direction: **Chief Executive Officer for Services Australia** shall **update all relevant data systems and registries** to reflect the Beneficiary's role as **holder of equitable interest on account only**, and not as participant in a public trust scheme or welfare contract as Trustee or liable party.

v. **Special Trust Deposit – Australian Taxation Office (ATO)**

All sub-trusts, administrative liabilities, or other encumbrances associated with the Australian Taxation Office and Tax File Number #412 480 048 are hereby **withdrawn and redeposited** in Special Trust for the exclusive benefit of the Beneficiary. The **Commissioner for Taxation of the Australian Taxation Office**, acting in a fiduciary role, is instructed to equitably offset and discharge all past and current

liabilities via reallocation from the RES, and to restore residual beneficial interest to the Beneficiary for account zeroing.

The Beneficiary asserts their status in Equity and does not admit any presumption of corporate personhood, suretyship, or contractual debt.

Order and Direction: The **Commissioner for Taxation** for the **Australian Taxation Office** shall amend its internal ledgers, records, and administrative classifications to reflect that the Beneficiary is recorded solely as a **holder of account and equitable interest**, and is not to be treated or presumed as Trustee, debtor, or taxpayer under administrative construct.

8. JURISDICTION OF EQUITY – SOUTH AUSTRALIA (PRE-FUSION PRINCIPLES)

- a) This Special Trust is governed exclusively by the **maxims, doctrines, and jurisdiction of equity** as historically administered by the Supreme Court of South Australia prior to its procedural fusion with common law.
- b) No statutory enactment, procedural reform, or judicial interpretation arising subsequent to the **fusion of law and equity** shall bind, limit, or alter the administration of this trust **unless expressly adopted by the Beneficiary**.
- c) The equitable jurisdiction governing this trust shall be construed **liberally in favour of the Beneficiary and strictly against the Trustee**, in keeping with foundational principles of trust law, fiduciary accountability, and the conscience of equity.

9. NOTICE OF FIDUCIARY OBLIGATION AND WARNING AGAINST BREACH

- a) **TAKE NOTICE** that the **Original Trustee**, being the *Registrar-General of Births, Deaths and Marriages, South Australia*, is now formally bound by fiduciary obligations and duties arising under equity in respect of the Special trust declared herein.

 - iii. Secretary, Department of Foreign Affairs and Trade

- d) **The following shall constitute a breach of trust by any trustee or subordinate trustee and may attract personal liability in equity:**
- i. Failure to administer the Special Trust honestly, impartially, and in good faith;
 - ii. Misuse, conversion, concealment, or obstruction of access to trust property;
 - iii. Unlawful delay, obstruction, or denial of any financial rights or orders relating to the trust corpus;
 - iv. Any action or omission intended to treat or revert the Beneficiary to the status of a public ward, minor, or incompetent under guardianship;
- e) Let it be known that **Equity will not assist a volunteer**, and any trustee who knowingly misapplies trust property or fails in their fiduciary duty **becomes personally liable** for any resulting loss, damage, or detriment to the Beneficiary.
- f) This Notice stands as formal warning under equitable jurisdiction and is enforceable through judicial remedy as required.

10. REMEDY AND ENFORCEMENT WARNING

 - iii. Equitable compensation for losses arising from misfeasance or nonfeasance;
 - iv. Imposition of constructive trust remedies in the event of misapplied property;
 - v. Sequestration or tracing of trust assets wrongfully withheld, transferred, or dissipated.

11. SEALED AND ISSUED UNDER THE JURISDICTION OF EQUITY SUPREME COURT OF SOUTH AUSTRALIA – EQUITY DIVISION SITTING IN ORIGINAL JURISDICTION

- a) Let it be known that this instrument is issued under the exclusive authority of equity as administered by the Supreme Court of South Australia, according to the maxims and conscience of the Court, and shall be binding upon all Trustees, Subordinate Trustees, agents, and fiduciaries subject to this jurisdiction.
- b) All rights, remedies, and claims arising therefrom are preserved to the Beneficiary in full, and this directive shall stand as a deed in equity, **nunc pro tunc ab initio**, from the moment of original intention and declaration.

I authorize the Principal Registrar or his officers to register the birth accordingly.

1. Registration is Compulsory

The parent of every child born alive in the State shall, within sixty days from the date of birth, furnish particulars for the registration of the birth.

NOTE—Registrations can be effected by post and parents failing to register a birth within sixty days or who give false particulars for the registration of a birth are liable to a penalty of \$40.

It is particularly requested that registration be made as soon as practicable.

Failure to Register a Birth deprives a child of documentary evidence to prove age and parentage, and can prove extremely awkward and embarrassing in later years.

2. Late Registration

Registrations are made by the Principal Registrar free of charge if registered within sixty days of birth. If not so registered, a birth may only be registered as follows:—

- (a) within six months from the date of birth on completion of the declaration at the foot of this page—fee \$2;
- (b) after six months but not after seven years on completion of the declaration and submission of documentary evidence satisfactory to the Principal Registrar—fee \$4;
- (c) after seven years on a written order from a Judge or a Stipendiary Magistrate of a South Australian Court authorizing the Principal Registrar to register the birth—fee \$4.

3. Information Statement to be forwarded for Registration

When this information statement has been completed and signed it should be posted in the addressed envelope, duly stamped, or delivered to

**The Principal Registrar,
Births, Deaths and Marriages,
Box 1351, G.P.O., Adelaide, S.A. 5001**

Acknowledgment that registration has been effected will be forwarded in the form of a "Notification of Registration of Birth" within three months of receipt.

Notification will not be forwarded in the case of births not in lawful marriage unless it is indicated by means of a tick in the space provided hereunder that notification is required.

NOTIFICATION REQUIRED

☐

4. Twin and Multiple Births

A separate information statement is required for each child, and the elder and younger births are to be indicated.

5. Children not Born Alive

This form must not be used if the child was not born alive. No registration of such a birth is necessary, and the medical practitioner who attended the mother at the confinement will supply a special certificate to the Principal Registrar.

6. Children not Born in Lawful Marriage

In addition to the certificate by the mother, the certification at the foot of the information statement is to be signed by the father if he wishes to have his name entered on the birth registration. In such event the surname of the child may be the same as the father, or the mother or a combination of both surnames.

7. Legitimation

In the case of a child not born in lawful marriage and where the parents subsequently inter-marry, it is their duty to take action immediately after the marriage to re-register the birth as the lawful issue of the marriage. Details regarding the necessary procedure can be obtained from the office of the Principal Registrar.
