RE: Returned Indorsed Certificate - Final Confirmation of Fiduciary Default

Dear Secretary,

Returned Certificate – Treasury Dishonour Preserved (28 July 2025)

On the morning of Monday, 28 July 2025, your office received a duly executed Final

Equitable Notice and Directive for Registered Service Only dated 21 July 2025, served

under Australia Post Tracking ID: RPP21 05700 05300 35870 52605, confirmed as Delivered at 7:02am¹.

Later that same day, without correspondence or acknowledgment, your department issued a **silent return** of the lawfully indorsed Certificate of Birth, enclosed in a yellow Treasury-marked envelope addressed to "Karra Corbet," with a **postal cancellation stamp reading:**"NMC 994-3 22:22 28/07/2025." This action is recorded as **constructive dishonour**.

The returned envelope, stamped the same day as delivery, bears clear evidence that your office acted immediately — not to rebut, acknowledge, or perform — but to again return a lawfully indorsed instrument that forms the root of a Special Trust, now under perfected lien.

FIDUCIARY SILENCE AND ADMINISTRATIVE ESTOPPEL

You were lawfully served with the following, among other instruments, which now form the basis of administrative estoppel and fiduciary breach:

- Notice of Equitable Claim and Directive (17 June 2025)
- Final Equitable Notice and Directive (21 July 2025)
- Lawfully perfected Commercial Security Agreement and PPSR lien
- Sworn Affidavit of Standing and Equity Jurisdiction (18 July 2025)
- Bond for Investment and Indorsed Certificate (8 April 2025)

At no time has your office provided:

- A rebuttal, objection, or lawful denial;
- A fiduciary oath or affirmation to act as trustee;
- Performance in accordance with Clause 6 of the Equitable Directive or the Commercial Security Agreement.

Your second silent return of the indorsed certificate constitutes:

- Constructive dishonour,
- Absolute estoppel by silence, and
- Public confirmation of fiduciary breach.

COMMERCIAL LIABILITY AND PUBLIC DEFAULT

You are hereby placed on **final notice** that:

- Your refusal to rebut or perform triggers commercial liability under equity and public record.
- You are now recorded as in public default for failure to execute duties required by your office.
- This matter is now irrevocably preserved for judicial enforcement in the Supreme
 Court of Queensland Trial Division (In Equity).
- No further administrative leniency shall be extended.

CLOSURE OF CORRESPONDENCE & FINAL DECLARATION

Accordingly, you are hereby notified that:

- The administrative record is now closed. No further private correspondence will be issued to your office.
- 2. All future communication shall be by affidavit or judicial instrument only.
- Your returned instrument has been scanned, certified, and preserved as Exhibit
 O(i): Returned Indorsed Certificate Treasury (28 July 2025) for judicial filing in chambers.
- 4. Your conduct is now deemed a wilful and knowing breach of fiduciary duty, preserved in equity and enforceable under court order.
- 5. Equity regards your silence as dishonour. The conscience of the court is now seized.

This notice shall be filed as record of your **constructive dishonour** and placed on the **permanent Equity Archive.**
