2. Purpose and Scope

2.1. This affidavit records the **Beneficiary's irrevocable right** to access, operate, and maintain **unrestricted use of digital, computational, and communication systems** necessary for the **lawful administration** of the estate trust.

2.2. Such access is a **fiduciary necessity** for:

- **Trust administration;**
- **Estate security and commercial capacity;**
- **Research, education, and intellectual property development;**
- **Inter-trust and inter-jurisdictional communications.**

2.3. Any interference, conditioning, or revocation of such access is deemed:

- **Breach of fiduciary duty;**
- **Trespass upon the estate;**
- **Constructive obstruction of justice.**

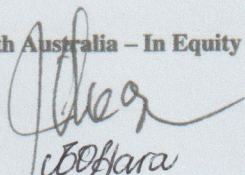

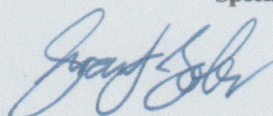

3. Preservation of Access Rights

The Beneficiary affirms that **unrestricted access shall be maintained** to:

- a) **Public and private internet services**
- b) **Large-scale computation and artificial intelligence engines**
- c) **Blockchain and decentralised ledger platforms**
- d) **Encrypted communications, quantum-resilient systems, and zero-trust security networks**
- e) **Private cloud storage and data repositories**
- f) **All emergent technologies integral to modern commercial and legal administration of trust property**

4. Treaty and Maxim Authority

This affidavit is supported by and invokes the controlling authority of:

C. B. Hara

- **Universal Declaration of Human Rights (1948)** – Articles 12, 17, 19;
- **International Covenant on Civil and Political Rights (ICCPR)** – Articles 14, 17, 19, 26;
- **Geneva Conventions (1949), Vol. II** – Civilian protections from administrative harm;
- **Vienna Convention on Diplomatic Relations (1961)** – Articles 25, 27, as incorporated for interpretive parity under treaty conscience in equity, not by joinder to public diplomatic status.

Equitable maxims including:

- *Equity regards as done that which ought to be done;*
- *Equity will not suffer a wrong to be without a remedy;*
- *Equity acts in personam.*

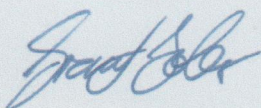

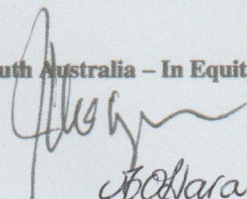

5. Prohibitions on Restriction

No State, Federal, international, corporate, or private entity may:

- Require **biometric enrolment**, “Digital ID” participation, **social credit scoring**, or **citizenship-based** authentication as a precondition to access
- Insert **encryption backdoors**, **surveillance keys**, or **monitoring software** into estate-controlled systems
- Downgrade, censor, or suppress access to computational or data resources **without order of this Honourable Court sitting in equity**
- Impose **licensing**, **quota**, or **paywall barriers** that would inhibit equitable trust operation

6. Activation and Enforcement

6.1. Upon sealing by this Honourable Court, this affidavit shall take **immediate effect** as a **standing order in equity**.

6.2. Enforcement may be **sought directly in chambers without further hearing** in the event of breach, obstruction, or attempted interference.

6.3. This affidavit shall be read in conjunction with:

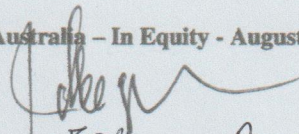

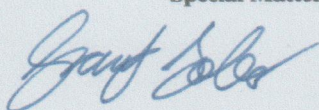

- **Exhibit U – Affidavit of Estate Continuity and Succession Directive;**
- **Exhibit S – Affidavit of Medical Standing;**
- **Exhibit N – Private Bond for Set Off – RN 419 594 663 AU;**
- **And all PPSR-registered security interests recorded under the Phoenix Securities Trust.**

7. Non-Derogation Clause

Nothing in this affidavit shall be construed as limiting any other **rights, remedies, or enforcement capacities** preserved under the principal matter or any other sealed equity record.

This affidavit stands **independently enforceable** and remains in **full force** notwithstanding delay, adjournment, or obstruction in the principal matter.
